**Notes:**

1. Considering the ongoing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has, vide its circular dated January 13, 2021 read together with circulars dated April 8, 2020, April 13, 2020 and May 5, 2020 (collectively referred to as "MCA Circulars"), permitted convening the Annual General Meeting ("AGM" / "Meeting") through Video Conferencing ("VC") or Other Audio-Visual Means ("OAVM"), without physical presence of the members at a common venue. In accordance with the MCA Circulars, provisions of the Companies Act, 2013 ("the Act") and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the AGM of the Company is being held through VC / OAVM. The deemed venue for the AGM shall be the Registered Office of the Company.
2. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the Company. Since this AGM is being held through VC / OAVM, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed hereto.
3. Since the AGM will be held through VC/ OAVM, the route map of the venue of the Meeting is not annexed hereto.
4. Details of Directors retiring by rotation / seeking appointment at this Meeting are provided in the "Annexure" to the Notice.
5. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
6. Corporate members intending to send their authorized representative(s) to attend the AGM pursuant to Section 113 of the Companies Act, 2013 are requested to send a duly certified copy of the Board Resolution authorizing their representative(s) to attend and vote on their behalf at the AGM. The said Resolution/ Authorization shall be sent to the Company Secretary or authorised representative of the Company at e-mail ID [tavernier.resources@gmail.com](mailto:tavernier.resources@gmail.com) and [prasad@tavernier.com](mailto:prasad@tavernier.com).
7. In compliance with the MCA Circulars and SEBI Circular dated January 15, 2021 read with Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose e-mail address is registered with the Company/ Depository Participants. Members may note that the Notice and Annual Report 2020-21 will also be available on the Company's website <http://www.tavernier.com/>, websites of the Stock Exchange, that is, BSE Limited at [www.bseindia.com](http://www.bseindia.com).
8. The Securities Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) for participating in the securities market, deletion of name of deceased holder, transmission/transposition of shares. Members are requested to submit the PAN details to their Depository Participant in case of holdings in dematerialized form and to the Company's Registrars and Transfer Agents, mentioning your correct reference folio number in case of holdings in physical form.
9. Members desirous of obtaining any information concerning accounts and operations of the Company are requested to address their communications to the Company atleast 7 days before the date of the meeting. The same will be suitably replied by the Company.
10. Pursuant to Section 108 of the Companies Act, 2013, read with the relevant Rules of the Act, the Company is

pleased to provide the facility to Members to exercise their right to vote by electronic means. The Members, whose names appear in the Register of Members / list of Beneficial Owners as on Monday, September 20, 2021 are entitled to vote on the Resolutions set forth in this Notice. The voting period begins on September 24, 2021 at 09:00 a.m. and ends on September 26, 2021 at 05:00 p.m. During this period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Monday, September 20, 2021 may cast their vote electronically.

11. The facility for voting through electronic voting system be made available at the AGM and the members attending the AGM through VC/OAVM, who have not already cast their vote by remote e-voting, may exercise their right to vote at the AGM through E-Voting.

**IMPACT OF COVID-19 PANDEMIC**

In the light of the COVID-19 pandemic, fiscal 2021 was a challenging year for businesses globally. The COVID-19 pandemic is a global humanitarian and health crisis, that continues to impact all our stakeholders— employees, clients, investors and communities. The actions taken by various governments to contain the pandemic, such as closing of borders and lockdown restrictions, have resulted insignificant disruption to people and businesses. While vaccines have been made available, there are delays in vaccinating larger populations, increased instances of variants and

infections, and consequential stress on the healthcare sector. Consequently, market demand and supply chains have been affected. The Company has considered the possible effects that may result from the pandemic relating to COVID-19 in the preparation of its financial statements.

The COVID-19 pandemic has impacted, and may further impact, all our stakeholders – employees, clients, vendors, investors and communities we operate in. The impact may continue in the next financial year as well. In addition to the above, other consequent risks related to the COVID-19 pandemic that may materialize in future.

# TAVERNIER RESOURCES LIMITED ANNUAL REPORT 2020-21

## Annexure I MANAGEMENT DISCUSSION & ANALYSIS

### Overview

This Management Discussion & Analysis Report presents the key performance highlights of the year 2020-21 pertaining to the Company's business. The Report has been prepared in compliance with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. This review should be read in conjunction with the Company's financial statement, the schedules and notes thereto and other information included elsewhere in this Annual Report. The Company's financial statement has been prepared in accordance with Indian Accounting Standards (Ind AS), complying with the requirements of the Companies Act, 2013 and the guidelines issued by Securities and Exchange Board of India (SEBI). The Management accepts responsibility for the integrity and objectivity of the Financial Statements. However, investors and readers are cautioned that this discussion contains certain forward-looking Statements that involve risks and uncertainties. The financial year 2020-21 was the most challenging year for the corporate world in living memory.

One of the fastest growing sectors, gems and jewellery industry is extremely export oriented and labour intensive. However, gems and jewellery exports have been recording a decelerating trend since the beginning of FY21 on account of various domestic as well as global challenges including rise in import duty on precious stones viz. polished diamonds and coloured gem stones, tightening of lending terms by banks, declining demand from export markets and withdrawal of GSP benefit by USA among others. To add to this, the spread of COVID-19 in key export markets such as USA, Europe, China, Hong Kong and U.A.E. has created further hurdles for this export-oriented industry. The COVID-19 pandemic that occurred in 2020 has crippled the World's economy. Due to COVID, industries across the globe are at a stalemate. Like many other industries, the jewellery industry underwent a catastrophic turn of events. From postponed events, shows, exhibitions to major control on weddings, hefty losses in the jewellery industry.

A few years back, the industry's surge predicted that 2020 would be a doorway to a plethora of business opportunities. The production, export, and supply were aligned to encounter the desired goals. Conversely, the outspread of coronavirus took everyone by shock. It turned the smooth manoeuvres upside down. The jewellery business dipped significantly. The high-value diamond pieces and the high-end chunky jewellery widely popular in the Middle-East and far-east agonized a huge downfall. As profitability went ashtray, the management of key players duly intervened to deal with the crisis.

### Industry Structure and Developments

#### Indian Economy

The period from April 2020 – February 2021 reflected a decline of 34.58% in the overall gross exports of Gems & Jewellery as compared to the same period the previous year. The increased shortfall in the export is anticipated to recover in the upcoming year. The manufacturers, sellers, and exporters need to understand the current market and strategize accordingly. Waiting for things to improve or rely on the government to take improvising steps wouldn't pace up the recovery of previous losses.

The key reason behind the heavy impact on the gems and jewels industry was the shutdown of physical retail stores worldwide. Another cause is that the industry is a highly labour-bounded and export-oriented sector. The labourers shifted back to their native places, and export also went down. The manufacturers and suppliers were in a fix as they had a surplus, and the impending period was hardly reflecting marginal hope of recovery.

Short-term outlook for the gems and jewellery industry is negative, while long term prospects remain positive, owing to growing consciousness of branded jewellery, increasing purchasing power in tier II and III cities, increasing working women population and rising preference towards diamond jewellery.

The Gem and Jewellery Export Promotion Council (GJEPC) has initiated a number of steps to mitigate the impact of the ongoing health crisis related to the COVID-19 pandemic on the businesses of its member-exporters.

COVID-19 impact: Gem and jewellery exports fell 39.27% in April-September, total gold jewellery exports in the April-September 2020 were worth Rs. 9,926.57 crore, 64.48 percent less than the Rs. 43,425.22 crore exported through all ports in the same period, last year. However, silver jewellery exports in September were worth Rs. 1,701.67 crore, a 100.68 percent jump from Rs. 847.93 crore in the same month of last year.

The COVID-19 pandemic that occurred in 2020 has crippled the World's economy. Due to COVID, industries across the globe are at a stalemate. Like many other industries, the jewelry industry underwent a catastrophic turn of events.

### **Gems and Jewellery**

Gems and jewellery market comprise of gold, diamond studded and silver jewellery as well as precious and semi-precious gemstones and its jewellery. A major chunk of gold jewellery manufactured in India is for domestic consumption, whereas a major portion of polished diamonds or finished diamond jewellery is exported. India is the world's largest centre for cut and polished diamonds in the world and exports 75% of the world's polished diamonds.

The gems and jewellery exports are expected to witness a sharp decline in March as well as in the first quarter of the next fiscal due to disruptions caused by the Coronavirus outbreak, according to a report.

An industry that is largely trade-oriented and attracts over 5,000 exhibitors and 1,00,000 buyers at various trade fairs has witnessed a continuous decline in exports in all of the 11 months of FY20, with February 2020 being a major disappointment, CARE Ratings said in a report. A 41 per cent annual decline in cut and polished diamond exports led to a cumulative export fall of 19 per cent year-on-year for the overall gems and jewellery industry in February 2020.

### **Opportunities and Threats**

In the coming years, growth in Gems and Jewellery sector would be largely contributed by the development of large retailers/brands. Also, the relaxation of restrictions of gold import is likely to provide a fillip to the industry.

Based on its potential for growth and value addition, the Government declared gems and jewellery sector as a focus area for export promotion. The Government has undertaken various measures recently to promote investment and upgrade technology and skills to promote 'Brand India' in the international market. The Government has permitted 100% FDI in the sector under the automatic route, wherein the foreign investor or the Indian company do not require any prior approval from the Reserve Bank or Government of India.

In Union Budget 2021-22, the government announced reduction on import duty for precious metals (including gold and silver) to 7.5%, from 12%, that will help the gems and jewellery exports market in India become globally competitive. The Bureau of Indian Standards (BIS) has revised the standard on gold hallmarking in India from January 2018 to include a BIS mark, purity in carat and fitness, as well as the unit's identification and the jeweller's identification mark on gold jewellery. The move is aimed at ensuring stringent quality check on gold jewellery. The Government has made hallmarking mandatory for gold jewellery and artefacts and a period of one year is provided for its implementation.

The demand for jewellery is expected to be significantly supported by the recent positive developments in the industry.

The jewellery sector in the country continues to remain poised for growth on account of its demographics as well as increasing urbanisation and income levels. The demand for jewellery is also expanding beyond the traditional marriage functions to a life style and fashion accessory as well. However, at the same time the traditional demand for jewellery continues to remain strong. The sector is witnessing changes in customer preferences due to adoption of western lifestyle and their demand for new designs and varieties in jewellery. Further, rising quality awareness of customers has also provided a fillip to the organized retail segment, which is banking on its 'reliability' and 'quality' to compete against the highly fragmented unorganized jewellers.

Increasing disposable income of the middle class is driving the demand for the sector. Gems and jewellery sector are advancing in investments supported by increasing expansion of domestic companies. The Indian middle class is expected to rise to 547 million by 2025 and the rise of young Indian middle-class worker is expected to lead to an increase in demand for gold. Although, this channel generally caters to low ticket items only, but as a consequence of disruptions caused by the ongoing pandemic COVID-19 scare, this channel is expected to gain attraction and gain popularity with the customers for even higher category jewellery.

Demand for gems and jewellery in India is predominantly concentrated in the southern region. South India gems and jewellery market is likely to register growth over the course of next five years, primarily owing to the presence of a large number of market players and aggressive marketing strategies adopted by companies. Moreover, increasing brand consciousness along with rising middle-class population in the region is expected to aid the region's gems & jewellery market.

Rising global uncertainties in the recent months have led to investors resorting to gold and silver as their preferred asset class for investment. Due to this, prices of such precious metals peaked during the year. On an average, international (monthly) gold prices surged 16% in FY20. The falling interest rate also helped grow investors' preference towards gold and silver.

Challenges for the sector have gravely after the outbreak of COVID-19 in China which has taken a shape of pandemic and caused stalled manufacturing and trading activities, cancellation of business events, deferment of committed order positions, reduced demand, elongation of receivables etc. in the sector.

The Indian gems & jewellery industry has estimated an additional loss of 5 per cent in its exports on account of Coronavirus, besides a generally low demand due to economic slowdown. The sudden Coronavirus outbreak in countries like Japan, China and South Korea have also contributed to a sharp fall in demand and impacted some export orders to these nations.

The sector is witnessing changes in customer preferences due to adoption of western lifestyle and their demand for new designs and varieties in jewellery. Further, rising quality awareness of customers has also provided a fillip to the organized retail segment, which is banking on its 'reliability' and 'quality' to compete against the highly fragmented unorganized jewellers.

The key reason behind the heavy impact on the gems and jewels industry was the shutdown of physical retail stores worldwide. Another cause is that the industry is a highly labour-bounded and export-oriented sector. The labourers shifted back to their native places, and export also went down.

Competition which has always been a challenge is countered by better quality and designs, branding, catering to changing customer demands/styles and cost control measures. Increasing prices of raw materials have affected and can affect the profit margins.

### **Performance**

The Company operates into one segment only i.e Gems and Jewellery and has generated net sales of Rs. 190.88 Lakhs.

### **Outlook**

The gold jewellery demand had already slowed down in FY20 in the tonnage and revenue terms due to the economic slowdown and increased gold prices. The Indian GDP growth during the FY20 was only 4.2%, which is the lowest number during the past eleven years. The possibility of a recovery of demand in FY21 has been derailed by COVID-19 led lockdown and the subsequent continued economic slowdown in the country. All the rating agencies are predicting a shrinkage in the country's GDP during the current fiscal. This can have a prolonged negative impact on gold demand because of the possibility of a further reduction in the overall discretionary spend. The volatility in gold prices is also expected to hurt consumer sentiments.

An improvement in the macro-economic fundamentals is expected to ramp up demand by improving the overall consumer sentiment. The Company expects demand to pick up as and when the disposable income in the hands of consumers increases due to pick up in economic activity and various government initiatives. The company has a good mix of business activities to service the demands of consumers. We are well poised to effectively capture the growth opportunities in the coming years.

The management is optimistic of substantial growth in Company's business in the coming years.

### **Risks and Concerns**

The nature of the Company's business exposes it to several inherent risks and concerns. The Company strives to closely monitor the risks and to mitigate them by adopting suitable, pragmatic strategies.

- a) **Bullion Risk:** The volatility in the gold prices exposes the Company to bullion risk as gold forms approximately 30% to 50% of the cost of the finished product.
- b) **Raw Material Supplies Risk:** Though India plays a dominant role in the Gems & Jewellery industry in terms of processing and consumption, mining of gold and diamond is amongst the lowest in the world. India imports gold and rough diamonds along with other precious metals.
- c) **Labour's availability Risk:** Gems and jewels industry is a highly labour-bounded and export-oriented sector. The labourers shifted back to their native places due to Covid-19 and lockdown, which has resulted in non-availability of Labour's

- d) **Geography Risk:** Dependence on any geographic location makes the Company's business in that region vulnerable to the economic slowdown therein. While USA continues to be our prime export destination.

Business risks exist for any enterprise having national and international exposure. Tavernier Resources Limited also faces certain risks, the key ones being - a longer than anticipated delay in economic revival, decreased sales volume, competition, unfavorable exchange rate fluctuations, emergence of inflationary conditions, unexpected changes in regulatory framework and the overall economic climate and government regulations. The Company is well aware of these risks and challenges and has put in place mechanisms to ensure that they are managed and mitigated with adequate timely actions.

**Internal Control Systems and their Adequacy**

The company has set up an internal control system that functions at various levels of the organization. The system ensures compliance with the respective laws & regulations, efficiency of operations, optimum utilization of resources, disclosure and adequate reporting of financial transactions, proper administration at all levels of the organization.

**Discussion on Financial Performance with Respect to Operational Performance**

During the financial year 2020-21 under review, the Net Sales of diamonds/precious stones slashed from Rs. 355.67 Lakhs in F.Y. 2019-20 to Rs. 190.88 Lakhs in F.Y. 2020-21, whereas the Company has incurred a loss of Rs. 38.81 Lakhs as against loss of Rs. 376.03 Lakhs in the previous financial year.

**Material developments in Human Resources / Industrial Relations front, including number of people employed.**

The Company considers its human resources as amongst its most valuable assets and continues to place emphasis on their development. It has been Company's constant endeavour to impart requisite training and thereby develop and hone the skills and talent of its personnel and enable them to realize their potential.

The overall Industrial Relations in the Company have been quite peaceful and cordial.

**Cautionary statement**

Statements in the Management Discussion and Analysis describing Company's objective, projections, estimates and expectations may be "forward looking statements" within the meaning of applicable securities laws and regulations.

Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, among others, economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in Government regulations, tax laws, statutes and other incidental factors.

**INDEPENDENT AUDITOR'S REPORT**  
**TO THE MEMBERS OF TAVERNIER RESOURCES LIMITED**

Report on the financial statements

**Opinion**

1. We have audited the accompanying financial statements of Tavernier Resources Limited (the "company") which comprise the Balance Sheet as at 31st March 2021, the Statement of Profit and Loss account, Cash Flow Statement for the year then ended, notes to the financial statements a summary of significant accounting policies and other explanatory information, which we have signed under reference to this report.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March 2021, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Other Information**

5. The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Standalone Financial Statements**

6. The Company's Board of Directors is responsible for matters stated in section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified in section 133 of the of the Act as applicable. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities selection and application of appropriate accounting policies , making judgments and estimates that are reasonable and prudent and design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records , relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from any material misstatement, whether due to fraud or error.
7. In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditors' responsibilities for the Audit of the Financial Statements**

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Act, we are also responsible for expressing our opinion on whether the Company has in place adequate internal financial controls with reference to standalone financial statements and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors in the standalone financial statements.
  - Conclude on the appropriateness of management's and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists

related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with audit committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide with audit committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with audit committee, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

**ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT**

**Report on the Internal Financial Controls Over Financial Reporting under clause (i) of sub section 3 of Section 143 of the Companies Act, 2013.**

We have audited the internal financial controls over financial reporting of TAVERNIER RESOURCES LIMITED (Company) as at 31st March, 2021 in conjunction with our audit of Standalone Financial Statements of the Company as on that date.

**Management Responsibility for Internal Financial Controls:**

The Board of Directors of the Company, are responsible for establishing and maintaining internal financial controls based on the respective internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (The Guidance Note). These responsibilities include the design, implementation and maintenance of adequate financial controls that are operating effectively for ensuring orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the act.

**Auditors' Responsibility**

Our responsibility is to express an opinion on Company's internal financial controls over financial reporting based on our Audit. We conducted the audit in accordance with Standards on Auditing prescribed under section 143 (10) of the Act and the Guidance note, to the extent applicable to an Audit of internal financial controls over financial reporting. Those standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the Audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and such controls operated effectively in all material respects.

Our Audit involves performing procedures to obtain Audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating efficiency and effectiveness of internal control based on assessed risk. The procedures selected depend on the auditor's judgement including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding

prevention or timely detection of unauthorised acquisition , use or disposition of the Company's assets that could have material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of evaluation of internal controls over financial reporting to future periods are subject to the risk, that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion to the best of our information and according to the explanation given to us, the company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March, 2021 based on the internal financial control reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

# TAVERNIER RESOURCES LIMITED ANNUAL REPORT 2020-21

CIN - L51909MH1994PLC193901

## Notes to financial statements for the year ended 31st March 2021

(All amounts in Rupees Lakhs unless otherwise stated)

### Company Background

Tavernier Resources Limited (hereinafter referred to as the 'Company') is a public limited company (listed on Bombay Stock Exchange) incorporated under the Companies Act, 1956. The company is engaged in the business of engaged into dealing & trading of Gems & Jewellery in Domestic market as well as overseas mainly into Exports of Cut & Polished Diamonds. The company is also engaged in trading of shares and Securities and into real estate

### Note 1 : Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### 1 Basis of preparation and presentation

##### (i) Statement of compliance with Ind AS

The company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in respect of sections 133. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment. The financials for the year ended March 31, 2018 of the company were the first financial statements prepared in compliance with Ind AS. The date of transition to Ind AS is April 1, 2016.

##### (ii) Basis of accounting

The Company maintains accounts on accrual basis following the historical cost convention, except for  
- certain financial instruments that are measured at fair value in accordance with Ind AS.

##### (iii) Use of Estimates

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the accounting policies. This note provides an overview of the areas that involved a high degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

##### (iv) Critical estimates and judgements

The areas involving critical estimates or judgements are: - Estimation of current tax expense and payable  
- Recognition of revenue

Ind AS 101 treats the information received after the date of transition to Ind AS as non-adjusting events. The entity shall not reflect that new information in its opening Ind AS Balance Sheet (unless the estimates need adjustment for any differences in accounting policies or there is objective evidence that the estimates were in error).

## **2 Summary of significant Accounting Policies**

### **a Property, plant and equipment**

All items of property, plant and equipment are stated at cost (i.e. cost of acquisition or construction) less accumulated depreciation/accumulated impairment. Such cost includes purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

#### **Transition to Ind AS**

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities.

Hence, on transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

#### **Depreciation and Amortisation:**

Depreciation on Property, Plant and Equipment is provided using the Straight Line Method based on the estimated useful lives of the assets and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013.

#### **Impairment**

At Balance Sheet date, an assessment is done to determine whether there is any indication of impairment in the carrying amount of the Company's assets. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount.

An assessment is also done at each Balance Sheet date whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. If any such indication exists the asset's recoverable amount is estimated. The carrying amount of the fixed asset is increased to the revised estimate of its recoverable amount but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss is recognised in the Statement of Profit and Loss for the year.

After recognition of impairment loss or reversal of impairment loss as applicable, the depreciation charge for the fixed asset is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on Straight Line basis over its remaining useful life.

### **b Revenue Recognition**

Revenue from sale of goods is recognised on transfer of all significant risks and rewards of ownership to the buyer. The amount recognised as sale is exclusive of sales tax/GST/VAT and is net of returns.

Income is accounted for on accrual basis.

**c Inventory**

Inventories are carried at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

**d Investments and other financial assets**

**(i) Classification**

The company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through Profit or loss), and
- those measured at amortised cost.

The classification depends on the company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

**(ii) Measurement**

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

**Debt instruments**

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the company classifies its debt instruments:

**Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

**Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

**Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

#### **Equity instruments**

A company can subsequently measure all equity investments at fair value through Profit or Loss or through Other Comprehensive Income. As the company's one of the object is to trade in shares and securities, the company subsequently measures all equity investments at fair value through profit and loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/(losses) in the statement of profit and loss.

#### **Security deposits**

Under the previous GAAP, interest free lease security deposits (that are refundable in cash on completion of the lease term) are recorded at their transaction value. Under Ind AS, all financial assets are required to be recognised at fair value. Accordingly, the Company fair values these security deposits under Ind AS. Difference between the fair value and transaction value of the security deposit will be recognised as prepaid rent. Prepaid rent is recognised as an expense over the period of lease with corresponding recognition of interest income on the outstanding amount.

#### **(iii) Impairment of financial assets**

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

#### **(iv) Derecognition of financial assets**

A financial asset is derecognised only when:

- The company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the company has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

#### **e Transactions in Foreign Currency**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses).

**f Trade receivables**

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counter party, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

**g Income tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction (in accordance with the Income Tax Act, 1961) adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets are recognised for all deductible temporary differences, unused tax losses and unabsorbed depreciation (as per taxation laws) only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred income tax is provided on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The Company has thus disclosed the Income Tax Assets/ Liabilities on a net basis as the same is settled within the same tax jurisdiction, which is in line with IndAS 12.

**h Provision and Contingencies**

The Company creates a provision when there exists a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provision or disclosure is made.

**i Earnings Per Share**

**(i) Basic earnings per share**

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares

**(ii) Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**j Borrowing Cost**

Borrowing cost includes interest costs incurred in connection with the arrangement of borrowings

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

**k Cash and Cash Equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

**l Segment reporting.**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). The Board of Directors of the Company has been identified as CODM which also consists of key managerial personnel of the Company. Refer note 29 for segment information.

**m Leases**

As a lessee:

Leases of property, plant and equipment where the company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

**n Trade and other payables**

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

**o Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

**p Rounding off amounts**

All amounts disclosed in the financial statements and notes have been rounded off to nearest lakhs as per the requirement of schedule III unless otherwise stated.

For Service Tax matter	-	-
<b>Total Contingent Liabilities &amp; Commitments</b>	-	-

Fixed Deposit of Rs. 7,00,000 is pledged in favour of "President of India - Development Commissioner Indore SEZ" on behalf of M/s. C.T. Cotton Yarn Limited. The aforesaid Fixed Deposit is duly matured but is yet to be released by the said Authority. Balance of FDR as stated in the Balance sheet is subject to confirmation from UCO Bank

#### **Note 28: Disclosure under the Micro, Small and Medium Enterprises Development Act, 2006**

As required by section 22 of the Micro, Small & Medium Enterprises Development Act 2006 there is no amount overdue to nay Micro, Small & medium Enterprises and hence no disclosure required.

#### **Note 29: Others**

Company had given loan to Mega Township LLP as per the agreement dated 4th August 2015 of Rs. 800 lakhs, on which interest accrued till 31st March 2019 was Rs. 329.94 lakhs. The company has received Original Title document as security from Mega Township LLP. However, Mega Township LLP has not repaid the ICD amount along with interest accrued in spite of repetitive reminder.

As per para 5.4.4 of Ind AS 109 'Financial Instrument, titled write-off, an entity shall directly reduce the gross carrying amount of a financial asset when the entity has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. Therefore, the management of the company have come to a conclusion and written off interest accrued portion which is Rs.329.94 lakhs on 31st March 2020. The above decision is taken as to give the true and fair view of the state of affairs of the company.

The Company's trading activity was impacted for certain period as a consequence of complete lockdown imposed by central and state government authorities in India considering public health and safety due to COVID-19 pandemic thereby restricting normal business activities. In spite of partial withdrawal of lockdown, ongoing restrictions by the appropriate government authorities to contain the pandemic continue to impact normal trading activities. The Company has carried out its initial assessment of the likely adverse impact on economic environment in general and financial risk because of COVID 19. The Company is in business of trading in gems and jewellery and the demand for gems and jewellery expected to be lower in short term. Further, the management believes that there may not be significant impact of covid-19 pandemic on financial position and performance of the company in long-term.
